

# **BOULDER FIRST AID**

## **ONSITE FIRST AID SERVICES**

Boulder Mountain Contracting offering complete, customized First Aid Services for the Industry throughout British Columbia.

Our medics have extensive experience providing first aid services in isolated locations, industrial sites and public venues.

All team members are trained to BC Occupational First Aid Level 3 standard, and many hold higher levels of training like Emergency Medical Responders and Primary Care Paramedics.

Our first aid attendants also hold BC Class 4 driver's licenses, WHMIS, Petroleum Safety Training and H2S Alive.

Mobile Treatment Centre fully equipped– recognized by the WorkSafeBC as suitable for providing care, treatment and transport of injured workers on projects as large as 200 workers.

The 2010 Tufport MTC is on Ford Super Duty F350 4x4 and meets all applicable safety standards including roll over protection for the date of manufacture.

Call us to discuss your needs. (250) 672-2120 Boulder Mountain Contracting Ltd.
